Radhe Industrial Corporation

**CELEBRATING 37 YEARS OF SERVICE**

As we approach four decades of service, we remain committed to preserving our strong engineering foundations, forging meaningful partnerships and uplifting our contribution to the **Indian Manufacturing Sector** under the Make In India initiative by PM Shri Narendra Modi.

Established in **1985**, today the **Radhe Group** is engaged in numerous businesses like Engineering Equipment manufacturing, Agro-Shade Net manufacturing, Renewable / Biomass Energy Equipment manufacturing, Cotton Yarn manufacturing, and Food manufacturing. For almost 4 decades, Radhe Group has touched millions of lives domestically as well as globally, whilst creating a brand that is synonymous with trustworthiness and strong business ethics. Radhe Group has grown from a small business in the construction industry to over half-dozen independent organizations, from a single entrepreneur to a Next-Gen leadership team.

The Radhe Group has recently ventured into the Toys Manufacturing business with **the brand - Funwoods**. The brand was launched with 24+ designs and shall soon have a product offering spanning 72+ designs. Currently the company has introduced majority of its products in the Friction Toys segment. The upcoming designs will comprise of a range of Toy Guns and a range of Two-Wheeler Toys. The company is also expected to soon release an Exclusive Range of Vintage Cars Models, in the Friction Toys segment.

An exemplary entrepreneur attached to his roots and the Founder of Radhe Group, Mr. Prakash Patel confirms the **company's 12-month goal** is to achieve a manufacturing capacity of **20,000+** fully assembled toys per day by Q3 of FY23-24.

Customer Satisfaction is given the utmost significance by Radhe Group across all its businesses / brands and **Funwoods** is no exception to that. All of Funwoods' products undergo a stringent quality check, not only during designing & manufacturing but also before and after assembly. All products come in **Premium Packaging** that protects the product during transit / storage and boasts of state-of-the-art aesthetics, giving an enhanced unboxing experience to the end-users.

Just like all other businesses by Radhe Group, Funwoods too is a fully compliant manufacturer with the relevant **BIS (Bureau of Indian Standards) licenses and certifications**. All products are manufactured per the guidelines and parameters laid down by BIS, using the best quality Raw Materials sourced from India and overseas.
